

**Becoming ONE with our God. . .
with ourselves. . .
with the "dear neighbor".**

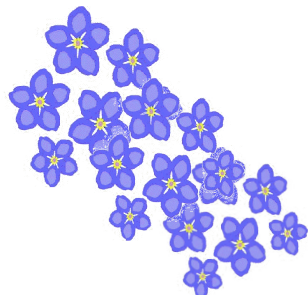

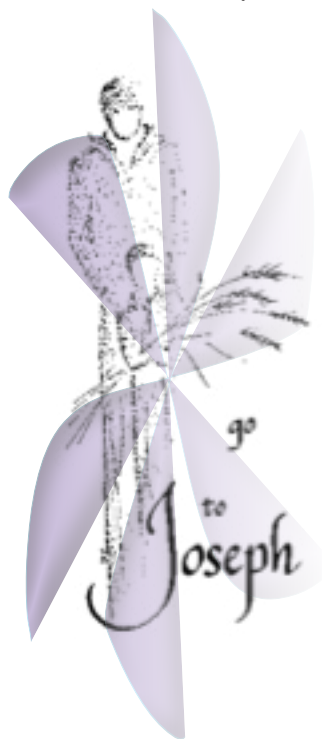

We are a community of women religious who have responded to the call of the Holy Spirit and the challenge of the Gospel to lead a life dedicated to the love of God and the service of the "dear neighbor". We live our mission of unity and reconciliation through the vows of consecrated chastity, poverty and obedience, prayer, community life

and service. Our religious community is rooted in the joy of the Indwelling Presence of the Trinity and the self-emptying love of the Eucharist. Nourished by prayer, we strive toward gentleness, peace and joy in our daily lives.

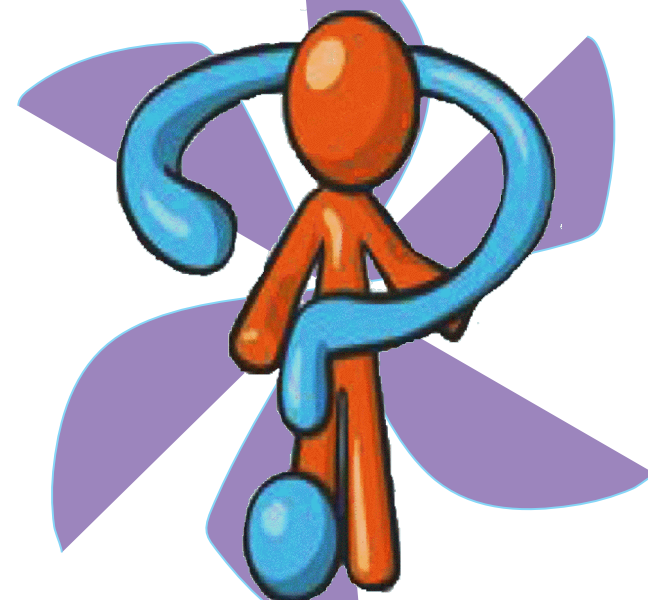

Come ... share our journey!

A woman interested in deepening her relationship with God, praying and living in community and committing herself to the service of the "dear neighbor" as a Sister of St. Joseph, is encouraged to contact our vocation director.
